

Basic 19" Network Cabinet

42U, Flatpack, Black

Part No.: **715409**

The Intellinet Network Solutions Basic 19" Network Cabinet helps secure your crucial network equipment at an excellent value. Constructed from solid steel and coated with electrostatic powder paint, the cabinet incorporates heavy-duty, depth-adjustable mounting rails to help ensure that equipment stays secure, a safety-glass door for quick status-checking of network equipment as well as four cable entries to keep the cabinet organized and accessible. UL and RoHS certifications further instill confidence that the Intellinet Network Solutions Basic 19" Network Cabinet is the right choice at the right price.
