

MPN: FIB4401MPO

MTP(MPO) - 4 x LC M-M 10m OM4

The FIB4401MPO is a high-performance MTP(MPO) to 4 x LC Male to Male fiber optic cable, designed for demanding data center and networking environments. Spanning 10 meters, this OM4 cable provides exceptional bandwidth and low insertion loss, ensuring reliable data transmission at high speeds. Ideal for connecting MTP/MPO devices to LC-based equipment, this cable simplifies cabling infrastructure and supports efficient network management. Benefit from MicroConnect's 20+ years of expertise in providing premium quality connectivity solutions, ensuring your network operates at peak performance with this pioneering fiber optic cable. Built to European design standards, the FIB4401MPO delivers reliability and durability for your critical data connections.

Specifications

Features	Cable length	10 m
	Connector 1	LC
	Connector 1 gender	Male
	Connector 2	LC
	Connector 2 gender	Male
	Fiber mode structure	Multi-mode
	Fibre optic type	OM4
	Full duplex	Yes
	InfiniBand protocol	Yes
	Product colour	Aqua colour
Legal Information	ADR Information	No restrictions
	Country of Origin	China
	EU ECCN Code	N/A
	Tariff No.	8544700099
	UNSPSC Code	26121607
	US ECCN Code	EAR99
Package dimensions	Depth (package,cm)	1 cm
	Gross Weight (Package, kg)	0.02 kg
	Height (package,cm)	14 cm
	Width (package,cm)	16 cm
Product dimensions	Net Weight (Product, kg)	0.01 kg
Vendor information	Brand Name	MicroConnect
	Homepage	https://microconnect.me/
	Warranty	25 Year(s)
