Product Description

The laptop has become the go-to computing solution for many professionals. This has created a variety of productivity challenges, from ergonomic issues such as poor posture and eye strain, to tech problems like overheating devices. The SmartFit™ Easy Riser™ Go Laptop Riser for laptops up to 17" combines the ergonomic benefits of raising your screen height with the technological benefits of increased air circulation for your laptop. Its sleek 2-in-1 design is height- and angle-adjustable to improve posture, promote proper eye alignment and support neck and shoulder comfort while helping to keep the laptop's internal components cool. Engineered for portability, it is a useful multipurpose companion for supporting a laptop workstation at work, at home and on the move.

Features

- SmartFit™ supports proper ergonomic eye-level viewing angles, as well as improved neck and shoulder alignment.
- Height-Adjustable to allow users to lift the laptop as high as 180mm (7.1”) for proper eye alignment
- Foldable Dual Kickstand Structure provides additional viewing and height flexibility options within a space-saving desktop footprint.
- Stability-Focused Design uses textured padded inserts and a wide bottom ledge with front lip to ensure a secure fit, plus anti-slip silicone foot pads to keep your device in place while you work.
- Pro Air Circulation dissipates heat buildup to extend the longevity of your device’s battery and internal components.
- Smart Portability provides a space-saving footprint that can fit a variety of desktop spaces, a flat and slim folding structure for traveling, a built-in handle for easy carrying and durable hard-edges for extra protection.
