

HP Stitch S Series 70-g/m² Sublimation Paper

Reliable performance with a high transfer efficiency sublimation paper

Help exceed client expectations with sharp detail, dense colors, smooth gradients

- Maintain high productivity with confidence with a paper engineered for high-speed sublimations.
- Achieve dense blacks and colors with high sublimation ink efficiency on soft signage and sportswear textiles.
- This lightweight paper can also provide optimal cockle performance.

Achieve color consistency lot-to-lot

- See image-quality and color consistency from the first print to the last with reliable performance.
- Get the results you expect with a paper designed and tested as a system with HP dye sub inks and printers.

Maintain high productivity with high-yield rolls

- Help reduce media waste and costs with high-yield rolls.
- Maintain quality at speed with a low ink consumption paper.
- Produce at high speed with the help of a light tack coating.
