

# HP Stitch S Series Lightweight 45-g/m<sup>2</sup> Sublimation Paper

Achieve vibrant colors for fashion at high speed with this lightweight sublimation paper

## Get premium fashion quality at high speed

- Maintain high productivity with a sublimation paper engineered for high-speed printing.
- Produce vibrant colors and sharp lines with a high transfer yield to the fabric.
- Work with confidence with a sublimation paper designed to run smoothly through the calendar.
- Run production volumes with the 1640-ft (500-m) long roll for the HP Stitch S500 64-in Printer.

## Achieve color consistency lot-to-lot

- See image-quality and color consistency from the first print to the last with reliable performance.
- Get the results you expect with a paper designed and tested as a system with HP dye sub inks and printers.

## Reduce costs with this lightweight paper

- Help reduce transportation costs with this lightweight, 45-g/m<sup>2</sup> sublimation paper.
- Maintain quality at speed with a low ink consumption paper.
