## Specifications

|                    |                                |                 |
|--------------------|--------------------------------|-----------------|
| Features           | CAS latency                    | 3               |
|                    | Component for                  | Notebook        |
|                    | ECC                            | No              |
|                    | Internal memory                | 0.512 GB        |
|                    | Internal memory type           | PC133           |
|                    | Memory clock speed             | 133 MHz         |
|                    | Memory form factor             | 144PINS SO-DIMM |
|                    | Memory layout (modules x size) | 1 x 0.512 GB    |
|                    | Memory voltage                 | 3.3 V           |
|                    | Module configuration           | 32M x 8         |
|                    | Product colour                 | Green           |
| Other features     | Capacity                       | 0.512 GB        |
|                    | Chips organisation             | 32M*8           |
|                    | Number of pins                 | 144             |
| Packaging data     | Package type                   | SO-DIMM         |
| Vendor information | Brand Name                     | CoreParts       |
|                    | Warranty                       | 10 Year(s)      |
