

HP Slimline Desktop 290-a0009na

Reliable desktop PC with generous storage

Surprisingly slimmed down, this space-saving desktop could just as easily fit on your desk as under it. With powerful hardware, reliable performance, and generous storage, your everyday computing is something to get excited about.

Elevated performance

Multi-task efficiently and manage all your day-to-day demands with a reliable processor.

Designed to fit in or stand out

Whether you show off your tower or tuck it away, the HP Slim Desktop PC was designed to blend in without dominating your space, thanks to a sleek design and microdot pattern.

Connect and store it all

With tons of ports, dual-monitor support, and ample storage, this desktop is ready to stream your favorite shows, store all of your photos, and connect with anything you're into.

HP Slimline Desktop 290-a0009na

Featuring

Dual display support

Add a second display for a more immersive computing experience. With dual monitors, you can increase your productivity, boost your gaming experience, or just make multitasking easier.

5.1 Surround Sound output

With all the necessary ports for true 5.1 surround sound, give your favorite movies, shows, or music more nuanced, immersive sound quality, just by hooking up a Surround Sound speaker setup.

⁶ Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. AMD's numbering is not a measurement of clock speed.

⁷ Max Boost clock frequency/performance varies depending on hardware, software and overall system configuration.
