

## ICY BOX IB-AC509a

### USB 2.0 to Ethernet Adapter

#### Key features

- USB 2.0 type-A to RJ-45 Ethernet Port
- USB 2.0 up to 480Mbit/s
- LAN Transfer rate: 10/100 Mbit/s
- Supports IEEE 802.3, 802.3u standards
- Compact size
- Supports Windows, Mac OS, Linux

**Packing content**  
1x IB-AC509a, CD (driver)

### Function

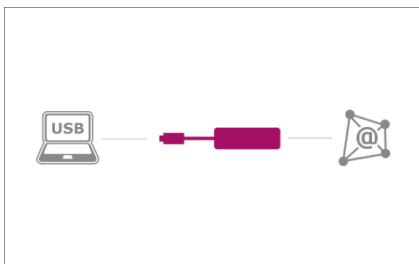

The IB-AC509 adapts an USB 2.0 Port A-Type to a RJ-45 Ethernet Port and connects your Notebook, Tablet or PC to the Network. It can also be used with an USB 3.0 port on your Notebook.

#### Technical data

<b>Model</b>	IB-AC509a
<b>Article No.</b>	60476
<b>Bezeichnung EN</b>	USB 2.0 to Ethernet (10/100Mbps) Adapter
<b>EAN code</b>	4250078168577
<b>Brand</b>	ICY BOX
<b>Colour</b>	Black
<b>Material</b>	Plastic
<b>Interface</b>	USB 2.0 to RJ-45
<b>Transfer rate</b>	10/100 Mbit/s (Full/Half-duplex)

## ICY BOX **IB-AC509a** USB 2.0 to Ethernet Adapter

### Connects two worlds

This adapter connects USB 2.0 and Ethernet LAN with each other and ensures a smooth exchange of a mobile device or PC with a network.

### The possibilities

USB 2.0 allows speeds of up to 480 Mbit/s to use. The IEEE 802.3 and 802.3u standards are supported by the RJ-45 port and thus speeds of 10/100 Mbit/s. With the OS of Windows, MacOS and Linux can use the adapter properly.

### Space-saving and compact

Due to its short cable and the compact design, the IB-AC509a is not only saving space but also protects the environment. Less materials, less EMI radiation.

#### Logistical data

**Packing unit:** 50 Stk./Karton  
**Total weight/Carton:** 5,20 kg/Karton  
**Gross weight:** 0,100 kg  
**Net weight/article:** 0,017 kg

**Dimension/Carton:** 440x380x230 mm  
**Dimension (color box):** 100x25x200 mm  
**Dimension of article:** 45x20x13 mm  
**Country of origin:** China
