

HP Sure Key Cable Lock

Truly universal locking

Take the guess work out of securing your notebook, display, dock, and accessories with the removeable, interchangeable heads of the HP Sure Key Cable Lock.¹

Frustration-free locking

It's easier than ever to secure your multi-platform notebook and tablet fleet with one lock that works with the most common industry-standard lock slots.¹

Loop and lock with one touch

Deter tech theft by attaching the correct lock head to the 6 ft (1.83 m) galvanized steel cable and wrapping it around any fixed object. Insert the lock into your notebook, dock or tablet's lock slot¹, and push the lock to secure.

Streamline your cabling

Use the lock's clip to cleanly organize your tech cables along with your device.

1. Supports standard, nano, and wedge lock slots

NOTE: HP Security Cable locks are designed, tested, and proven to be an economical and effective deterrent to help prevent opportunistic theft. While HP Security Cable locks help protect supported computer equipment from theft, they are not designed to provide impervious protection and should not be relied on as the sole security solution for your equipment. HP Security Cable locks are only one of several methods that should be employed as part of a complete security solution to help maximize theft protection.
