PHILIPS

AVENT

ultra air soother

with glow-in-the-dark button

0–6m

Orthodontic and BPA-Free

2 pack

SCF376/12

A light, breathable soother

Easy to find in the dark

Soothe your baby with a soother that lets skin breathe and is easy to find at night. The Philips Avent ultra air night has extra-large holes to keep skin dry and a glow-in-the-dark button so you can see it while the lights are off.

Keeps your baby's skin soft and dry
- Lets skin breathe

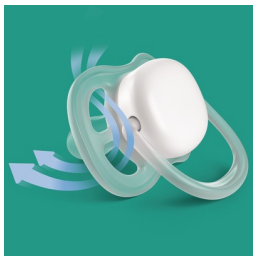

Easy to find at night
- Easy to find when the lights are off

Smooth teat for extra comfort
- The ideal texture for a feeling of comfort
- Loved by babies worldwide*
- Respects the natural shape of the palate, teeth and gums

Sterilise and store in one handy case
- Sterilise and store in one handy case

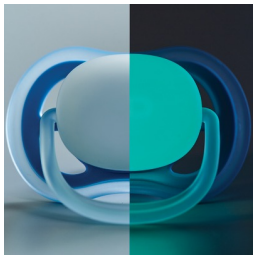

Highlights

Extra ventilation

Extra large air holes gently ventilate your baby's skin, keeping it soft and dry.

Glows in the dark

Use ultra air's glow-in-the-dark button to quickly find your baby's soother without having to switch on the lights.

Smooth teat

Every detail of the ultra air soother is designed to feel light and comfortable, including the smooth teat.

98% teat acceptance*

When we asked mothers how their little ones respond to our textured silicone teats, an average of 98% said that their baby accepts the Philips Avent ultra soft and ultra air soothers.

Healthy oral development

Look after your little one's oral development with a symmetrical teat that respects the natural shape of the palate, teeth and gums.

Easy sterilisation and storage

The ultra air travel case doubles as a steriliser, so all you need to do is add some water and pop it in the microwave. Then rest easy that it's clean for the next use.
