

MPN: PROHDMIVGA1

## Pro HDMI to VGA, Audio 1M

PC resolution 1920 x 1080p. Easy operation by connecting from PC to Display directly.

HDMI to VGA + 3.5mm minijack Converter cable

Can be used to connect HDMI device to e.g. a projector with only VGA input

The cable converts HDMI digital video and audio signals into analog VGA interface + analog audio (3.5mm minijack).

- 99,9% Copper
- Triple shielded cable
- Extra shielded connector
- High flexibility

## Specifications

### Features

|                                           |                          |
|-------------------------------------------|--------------------------|
| <b>3D</b>                                 | No                       |
| <b>Audio connector</b>                    | Yes                      |
| <b>Audio connector type</b>               | 3.5 mm (1/8")            |
| <b>AWG wire size</b>                      | 28                       |
| <b>Cable length</b>                       | 1 m                      |
| <b>Cable material</b>                     | Copper                   |
| <b>Cable shielding</b>                    | Aluminum mylar foil      |
| <b>Connector 1</b>                        | HDMI Type A (Standard)   |
| <b>Connector 1 form factor</b>            | Straight                 |
| <b>Connector 1 gender</b>                 | Male                     |
| <b>Connector 2</b>                        | VGA (D-Sub)              |
| <b>Connector 2 form factor</b>            | Straight                 |
| <b>Connector 2 gender</b>                 | Female                   |
| <b>Connector contacts plating</b>         | Gold                     |
| <b>Converter type</b>                     | Active video converter   |
| <b>Dual Link DVI</b>                      | No                       |
| <b>HDCP</b>                               | Yes                      |
| <b>HDCP version</b>                       | 2.2                      |
| <b>HDMI version</b>                       | 1.4                      |
| <b>High Dynamic Range (HDR) supported</b> | No                       |
| <b>Jacket material</b>                    | Polyvinyl chloride (PVC) |
| <b>Linux operating systems supported</b>  | Yes                      |
| <b>Mac operating systems supported</b>    | Yes                      |

|                     |                                     |                       |
