

UL1363a, Paragraph 14.1(d) states, "The SPRPT shall be permanently attached to the medical equipment by a means such that it is only removable with the use of a tool." To achieve compliance, one must use the PSCLAMP.

Safe-IT UL 1363A Medical-Grade Power Strip for Patient-Care Vicinity, 4 Hospital-Grade Outlets, 15 ft. Right-Angle Cord

MODEL NUMBER: PS-415-HG-OEMRA

Delivers power to devices attached to IV poles, crash carts and mobile workstations in operating rooms and other patient care vicinities.

Features

4-Outlet Medical-Grade Power Strip with Long 15 ft. Cord Approved for Patient Care Vicinities Tripp Lite's PS-415-HG-OEMRA supplies power to movable plug-connected components mounted to IV poles, mobile carts, crash carts and mobile medical workstations inside and outside patient care vicinities when properly mounted. This includes operating rooms, therapy rooms, imaging environments and administrative areas. Compliant with UL 1363A specifications, this 120V power strip features four NEMA 5-15R-HG hospital-grade outlets.

Exclusive, Patented Antimicrobial Protection Fights Healthcare-Acquired Infections (HAIs) The power strip is protected by a patented antimicrobial powder coating with EPA-registered and FDA-compliant silver ionic technology. The antimicrobial surface protection is 99.9 percent effective in inhibiting the growth of bacteria and reducing the risk of HAIs in hospitals and other medical environments. The coating meets the requirements of JIS Z 2801:2000, an international standard for evaluating efficacy in antimicrobial products.

Premium Safety Features Help Ensure Proper Power Connections With no central power switch, this power strip presents no danger of accidental shutoff and cutting off power to essential devices. Two resettable 15-amp circuit breakers will shut down all AC input if the power strip determines the connected equipment load is drawing too much power. Four locking plastic safety covers are included to block access to unused outlets.

Ready for Installation in Demanding Medical Environments The power strip with 15-foot (4.6-meter) cord also includes a space-saving right-angle NEMA 5-15P-HG plug that helps you connect to a wall outlet located behind furniture that is placed flush against the wall. Built-in mounting flanges and integrated keyhole slots let you install the durable all-metal housing on any mobile cart or IV pole for distributing power to movable rack-, table- and pedestal-mounted equipment.

Highlights

- UL 1363A power strip for use inside and outside patient care vicinities
- Patented antimicrobial coating is 99.9% effective in inhibiting the growth of bacteria
- Right-angle 5-15P-HG plug permits connection in confined or hard-to-reach spaces
- 15 ft. (4.6 m) power cord allows flexibility in placing power strip in relationship to AC outlet
- Switchless design helps prevent accidental shutdown of essential equipment

Applications

- Supply safe medical-grade power to lab, imaging and other electric components mounted to an IV pole or crash cart in a patient care area

Package Includes

- PS-415-HG-OEMRA Medical-Grade Power Strip, 4 Outlets, 15-ft. (4.57 m) Cord
- (4) Outlet safety covers
- Owner's manual

Specifications

| OVERVIEW | |
|------------------------------------|---|
| UPC Code | 037332239389 |
| INPUT | |
| Nominal Input Voltage(s) Supported | 120V AC |
| Recommended Electrical Service | 15A, 120V |
| Input Plug Features | Right-Angle Hospital Grade Plug |
| Input Cord Gauge Type | 14 gauge; SJT |
| Voltage Compatibility (VAC) | 120 |
| Input Plug Type | NEMA 5-15P-HG |
| Input Cord Length (ft.) | 15 |
| Input Cord Length (m) | 4.57 |
| Integrated Cord Clip | No |
| OUTPUT | |
| Frequency Compatibility | 50 / 60 Hz |
| Output (Watts) | 1800 |
| Output Receptacles | (4) 5-15R-HG |
| Circuit Breaker (amps) | 15 |
| Overload Protection | 2 x 15amp breakers (1 line, 1 neutral) |
| Transformer Accommodation | (2) Yes |
| Outlet Orientation | Single row of 4 |
| Right-Angle Outlets | No |
| USER INTERFACE, ALERTS & CONTROLS | |
| Switches | No power switch |
| PHYSICAL | |
| Color | White |
| Material of Construction | Metal |
| Antimicrobial | Yes |
| Power Cord Color | White |
| Form Factors Supported | IV poles, mobile carts, crash carts and mobile medical workstations |
| Housing Color | White |
| Included Mounting Accessories | mounting flanges and integrated keyhole slots |
