Limitless possibilities

Create the perfect ambiance and get a powerful light for any occasion with the white and color ambiance Flourish ceiling light, whether it's warm light for relaxing, cold light for any task or adding color to create the perfect ambiance.

Limitless possibilities

- Be creative with 16 million colors
- Sync lights with music and movies
- Create your ambiance with warm white to cool daylight
- Relax, read, concentrate and energize with light recipes
- Installation free dimming
- Control it your way
- Requires a Philips Hue bridge

Highlights

Be creative with colors

Play with light and choose from 16 million colors to instantly change the look and atmosphere of your room. Set the scene effortlessly with one touch of a button. Use a favourite photo and relive that special moment with splashes of light. Save your favourite light settings and recall them whenever you want with the tap of a finger

Sync with music and movies

Extend your TV viewing experience to the whole room or sync light to your favorite music and see how light reacts to the rhythm. Download the third party apps and discover the amazing things you can do with Philips Hue.

Create your ambiance

Set the right ambiance for any moment and decorate your home with warm to cool white light. Enjoy different styles throughout the year, no matter if it's the crisp white light reminding you of a spring breeze, the warm white light of a summer sun, or the ice cool daylight of winter.

Light for your daily routines

Light influences our mood and behavior. Philips Hue can help you to customize your daily routines into moments you can enjoy. Skip your morning coffee and get ready for the day with cool, bright white daylight that helps to energize your body and mind. Stay focussed with finely tuned bright white light. Or put your feet up and relax with a soft glow of white light for the perfect end of the day.

Installation free dimming

Experience guaranteed smooth dimming with Philips Hue. Not too bright. Not too dark. Just right. No need for wires, an electrician or installation

Control it your way

Connect your Philips Hue lights with the bridge and start discovering the endless possibilities. Control your lights from your smartphone or tablet via the Philips Hue app, or add switches to your system to activate your lights. Set timers, notifications, alarms, and more for the full Philips Hue experience. Philips Hue even works with Amazon Alexa, Apple HomeKit and Google Home to allow you to control your lights with your voice.

Requires a Philips Hue bridge

Connect your Philips Hue lights with the bridge to control your lights from your smart phone or tablet via the Philips Hue app.
