

MAINSTREAM COMPUTING FOR A VARIETY OF BUSINESS USES

ThinkCentre M7 Series desktops offer enterprise security features, a wide range of configurations and expansion options, and reliability trusted by leading businesses across the globe.

ThinkCentre M720t

Smarter
technology
for all

Lenovo

A ThinkCentre is uniquely subjected to more than 100 performance and reliability tests. From optional dust filters to smart security features, there's a lot more thinking behind a ThinkCentre than your average desktop. This model has the new E-Lock feature, which prevents unauthorized access to the inside of the PC, but can be electronically unlocked from the BIOS or using remote management tools. No wonder ThinkCentre powers the world's leading businesses.

REASONS TO BUY

Infinitely configurable – choose from Intel Pentium® or Core™ processors, up to 64GB of memory, up to 2x HDD or SSD storage drives and a DVD burner, and an optional graphics card.

Despite its smaller size, this desktop has 9x USB ports, including a front-facing USB-C connector that can be used for charging mobile devices.

Optimized to reduce power consumption, saving you money and reducing environmental impact. Features Energy Star® and EPEAT® Silver certifications.

ThinkCentre M720t
