

# OMEN Transceptor 17 Duffel Bag

## Built for gamers

Enjoy the cross between premium style and function. Built for gamers on-the-go, this duffel bag has a padded laptop pocket, designated peripheral compartments, and a separate space for shoes. An RFID pocket for your personal items and water-resistant fabric make sure you are protected even when traveling.

### Protect what's important

A padded compartment with a velcro strap keeps your laptop safe and secure.

### Stay organized

Utilize your space efficiently with designated pockets for your gaming peripherals.

### Transformative straps

Ergonomic straps that transform your bag from a duffel to a backpack.

### Keep your essentials safe

Zippered, easy-access pocket for essential items with RFID-blocking theft prevention.

## Featuring

### **Keep the elements out**

Protect your gear from the elements with water-resistant fabric.

### **Dual purpose pocket**

Dual purpose pocket—a trolley handle pass-through when open and a pocket when zipped.

### **Easy access charging**

Charge your phone easily with the built-in USB plug in the front pocket.

### **Separate shoe compartment**

A separate compartment designed especially for shoes, so the main compartment remains clean.

### **Transformative straps**

Ergonomic straps that transform your bag from a duffel to a backpack.

### **Look good on-the-go**

With a premium minimalist style and far from minimalist functionality, this duffel gives you what you need to look good on the move.
