

MPN: MC-PCIE-82599ES

2 port, 10G, Intel JL82599ES, PCIe

The MicroConnect MC-PCIE-82599ES is a high-performance 2-port 10G Fiber Network Card, designed to elevate your network infrastructure. This PCI Express network card provides blazing-fast 10 Gigabit Ethernet connectivity, perfect for demanding applications such as data centers, high-performance computing, and media streaming. With dual ports, it offers redundancy and increased bandwidth. Benefit from MicroConnect's 20+ years of expertise in delivering reliable and innovative connectivity solutions. Experience seamless data transfer and enhanced network performance with this premium-quality, European-designed network card, ensuring a robust and future-proof network environment.

Specifications

Design	Certification	CE
	Chipset	Intel JL82599ES
	Component for	PC
	Internal	Yes
	Recommended usage	PC
Network	Maximum data transfer rate	10000 Mbit/s
	Networking standards	IEEE 802.1Q, IEEE 802.3x
Packaging content	Manual	Yes
Ports & interfaces	Connectivity technology	Wired
	Host interface	PCI Express
	Interface	SFP+
System requirements	Linux operating systems supported	FreeBSD 7.0, Yes
	Server operating systems supported	Windows Server 2008, Windows Server 2012
	Windows operating systems supported	Windows 10, Windows 7, Windows 8, Windows 8.1
Vendor information	Brand Name	MicroConnect
	Homepage	https://microconnect.me/
	Warranty	3 Year(s)
