- Hours of Operation:
Monday – Friday 7:00am – 6:00pm CST

1-YEAR LIMITED WARRANTY

Read the following terms and conditions carefully before using the CyberPower P3WU (the “product”). By using the product, you consent to be bound by the terms and conditions of this 1-year limited warranty. IF YOU DO NOT AGREE TO THE TERMS AND CONDITIONS OF THIS WARRANTY, YOU SHOULD RETURN THE PRODUCT FOR A FULL REFUND PRIOR TO USING IT.

Who is providing this warranty, and what does it cover?

Cyber Power Systems (USA), Inc. (“CyberPower”) provides this 1-year limited warranty. It only covers the original purchaser and ends if you no longer own the product. This warranty covers defects in materials and workmanship in the product under normal use and conditions. This warranty covers the product for as long as you own the product, up to 1 year from date of purchase.

What must I do to make a warranty claim?

1. Call us at (877) 297-6937, or write to us at:
Cyber Power Systems (USA), Inc.
4241 12th Avenue East, Suite 400
Shakopee, MN 55379,
or send us an email at claims@cpsww.com within 10 days of the occurrence for instructions.
2. Identify the product and the purchase date.
3. Provide a dated purchase receipt (or other proof of the original purchase) and provide a description of the defect.
4. Pack and ship the product to CyberPower and all claim forms that are provided to you. Show the claim number on the shipping label, or include it with the product. You must prepay all shipping costs. You are responsible for packaging and shipment, and you must pay the cost of the repair estimate.
5. Do each of these within ten days of the occurrence.

What will CyberPower do to correct problems?

CyberPower will inspect and examine the product. If the product is defective in material or workmanship, CyberPower will replace it at CyberPower’s expense, or CyberPower will refund the full purchase price you paid for the product (purchase receipt showing price paid is required).

Who pays for shipping?

We pay shipping when we send items to you; you pay when you send items to us.

What are some things this Warranty does not cover?

1. THIS WARRANTY DOES NOT COVER: ANY SOFTWARE THAT WAS DAMAGED, SOFTWARE THAT NEEDS TO BE REPLACED DUE TO THE FAILURE OF THE PRODUCT, OR ANY DATA THAT IS LOST AS A RESULT OF THE FAILURE. THIS WARRANTY DOES NOT COVER THE RESTORATION OF DATA OR RECORDS, OR THE REINSTALLATION OF SOFTWARE.

2. This warranty does not cover: misuse, modification, operation or storage outside of the environmental limits of the product or the equipment connected to it. It does not cover damage while in transit or in storage; if there has been improper operation or maintenance, or use with items not designed or intended for use with the product, such as laser printers, appliances, aquariums, medical, or life support devices, etc.

What are the other limitations?

The sole and exclusive remedies of the initial customer are those provided by this warranty.

1. This warranty does not apply unless the product and the connected equipment were connected to properly wired and grounded outlets (including compliance with electrical and safety codes of the most current electrical code), without the use of any adapters or other connectors.
2. The product must have been plugged directly into the power source. The equipment connected to the product must be directly connected in the product, not “daisy chained” together in serial fashion with any extension cords, another product, or device similar to the product, surge suppressor, or power tap. Any such installation voids the warranty.
3. The product and connected equipment must have been used properly in a suitable environment, in conformance with any applicable license, instruction manual, or warnings.
4. The product must have been used at all times within the limitations on the product’s maximum rated wattage.

Where can I get more information?

Contact us at:
Cyber Power Systems (USA), Inc.
4241 12th Avenue East, Suite 400
Shakopee, MN 55379;
Call us at (877) 297-6937;

CONFORMANCE APPROVALS

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This Class B digital apparatus complies with Canadian ICES-003.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

WARNING: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user’s authority to operate the equipment.

 **WARNING:** This product can expose you to chemicals including styrene (ABS), which is known to the State of California to cause cancer. For more information, go to www.P65Warnings.ca.gov.

Please join CyberPower in caring for the environment by recycling.

This device is manufactured using environmentally-safe procedures in compliance with the Restriction of Hazardous Substances (RoHS) directive.

UL Listed to U.S. and Canadian Safety Standards UL 1449. This product is listed to applicable U.S. and Canadian safety standards by Underwriters Laboratories Inc.
