Designed for home and small offices, this striking, compact 4-in-1 inkjet printer features an ADF, Wi-Fi and mobile printing.

This feature-rich 4-in-1 inkjet printer is stylish, compact and easy-to-use in your home office. Reduce waste and costs with A4 double-sided printing and affordable individual inks. Labour intensive tasks such as multi-page copying, scanning and faxing are effortless thanks to the Automatic Document Feeder. Printing on the go is easy with Wi-Fi, Wi-Fi Direct and mobile printing apps.

Compact and stylish
With its sleek and refined form, it’s easy to integrate this space-saving, 4-in-1 model into any home office.

Easy to use
On the spot the printer's functions can be easily navigated thanks to the intuitive user interface and LCD screen. Speed through tasks using the 30-page ADF (Automatic Document Feeder) for multi-page scanning, copying and faxing with minimal effort. Save paper and money with A4 double-sided printing.

Affordable solution
Epson’s four-colour 603 ink provides reliable, vibrant and clear prints with minimal outlay. Each colour is supplied individually, so you only replace the colours you need. This makes individual inks 50% more efficient compared to tri-colour cartridges[1]. Reduce costs even further with Epson's XL cartridges, that can print 2.5x more pages[2].

Go wireless
With Wi-Fi and Wi-Fi Direct, you can send documents to print from smart devices using the Epson iPrint[3] app. It can even receive files from almost anywhere in the world via Epson Email Print[3].
