Big bass.

Take the dancefloor with you. The 32 mm neodymium acoustic drivers keep the sound crisp and the bass big.

Compact fold design

With their flat folding design, BASS+ headphones are easy to fold and store away, making them your ideal travel companion.

Easy to wear

Weighing just 145.5 g, these wireless on-ear headphones let you enjoy the bass in real comfort. The headband is easily adjustable and so light you'll barely feel it. The ear cups are soft and can be angled until they feel just right.

Adjustable headband

Designed for optimal fit, BASS+ headphones feature swivelling earshells and an adjustable headband to ensure a great fit for all wearers.

Multi-function button.

Easily control music and calls via the multi-function button. Don't like the current track? Skip it with a long press. Want to reject a call and keep listening? A simple button-press takes care of that.

Ear and headband cushions

Soft, breathable cushions provide great comfort over long listening sessions.
