

# InLine® Cable Splitter HDMI 2-port, 4K/60Hz, with USB power cable, 0.5m

\* Preise inkl. gesetzlicher MwSt. zzgl. Versandkosten

Marke: INL

Bestell-Nr.: 65009B

This InLine® HDMI splitter 2-fold, 4k/60Hz splits an HDMI input signal to two HDMI output devices. The video and audio signal is duplicated and can be output simultaneously on both playback devices. If two or more HDMI splitters are cascaded, they can produce a larger distribution and length. The HDMI splitter is ideal for retail TV and showrooms, set-top boxes, Blu-ray players and projectors, or applications such as security, data center control, information sharing, conference room presentations, and training.

- Installation takes seconds without requiring extensive adjustments.
- HDCP according to HDCP Revision 1.4/2.2 specification
- Supports HDTV resolutions up to 4K/60Hz
- Supports Deep Color 12-bit
- Supports LPCM 7.1CH and DTS-HD Master Audio
- Supports Full 3D
- Input: 1x HDMI (Type A connector on cable, 0.5m)
- Outputs: 2x HDMI (Type A socket)
- Output resolution: 480i~1080p@50/60Hz, 1080p@24/50/60Hz, VGA~UXGA, 2K@60Hz, 4K@60Hz
- Housing material: Plastic
