### FEATURES

- Universal design suitable for all sized screens up to 50kg (per screen)
- High-end aesthetic quality
- Suitable for landscape or portrait mounting
- Easy to use adjustable adaptor creates an angled join between screens
- Integrated angle guides eliminate the need to measure required angles
- Integrated rail mounting guides ensure the join position is consistent throughout the installation without the need to measure
- Choose from fixed or micro-adjustment interface arms
- Tool-less micro-adjustments at 8 points for seamless screen alignment (not included on fixed arms)
- All arms feature levelling screws to adjust the screen height
- Integrated cable management
- Safety screws help prevent unauthorised removal of screens
- Simple installation with all mounting hardware included

Angle up to +/-45° to create a concave or convex curved menu board

Choose from fixed or micro-adjustment interface arms

Integrated cable management to hide unsightly cables

Ø50mm poles are available in lengths ranging from 0.5m - 3m to provide the desired drop
