

MPN: MMKN100-16GB

## 16GB Memory Module ECC/REG, DDR4 PC4 19200, 288PINS, DIMM

In CoreParts you will find a wide range of alternative RAM modules all using original chip sets, that match the performance of your original RAM modules with different sizes, and capacities, manufactured by high-end, certified and trusted suppliers.

- High Quality
- Tested and certified
- Matching Performance
- Reliable with 10 years Warranty

### Specifications

|                    |                                |                |
|--------------------|--------------------------------|----------------|
| Features           | CAS latency                    | 15             |
|                    | Component for                  | PC/server      |
|                    | ECC                            | Yes            |
|                    | Internal memory                | 16 GB          |
|                    | Internal memory type           | DDR4 PC4 19200 |
|                    | Memory clock speed             | 2400 MHz       |
|                    | Memory form factor             | 288PINS DIMM   |
|                    | Memory layout (modules x size) | 1 x 16 GB      |
|                    | Memory voltage                 | 1.2 V          |
|                    | Module configuration           | 1024M x 4      |
|                    | Product colour                 | Green          |
|                    |                                |                |
| Other features     | Capacity                       | 16 GB          |
|                    | Chips organisation             | 1024*4         |
|                    | Number of pins                 | 288            |
| Vendor information | Brand Name                     | CoreParts      |
|                    | Warranty                       | 10 Year(s)     |
