Connect to just about anything on the planet

- Bluetooth, USB, 3.5 mm Jack Connector - wirelessly or wired

Play music with unbeatable sound and volume

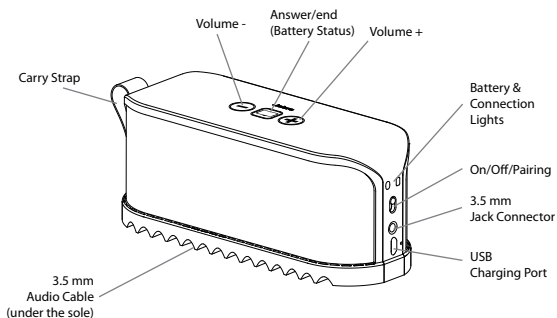

Chat with your friends on your phone, tablet or PC

- Use the Jabra Solemate as a speakerphone to make calls, answer calls and more...

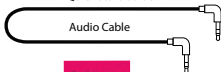

Voice guidance

- The Jabra Solemate tells you what you need to know about battery status and pairing instructions

JABRA SOLEMATE OVERVIEW

Quick Start Guide

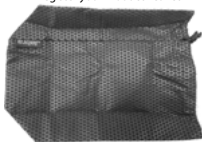

Warranty Leaflet

Warning Leaflet

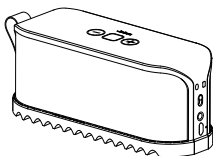

Register your Product Leaflet

Carry Pouch

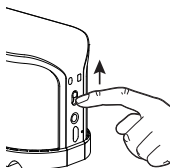

POSITIONING THE JABRA SOLEMATE

The Jabra Solemate functions best when placed flat on any surface, and with the Jabra logo facing forward.

TURNING ON THE JABRA SOLEMATE

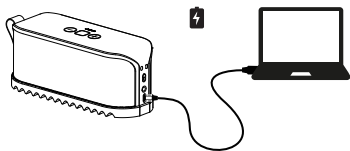

Slide the **On/off** switch up to turn the Jabra Solemate on.

CHARGING

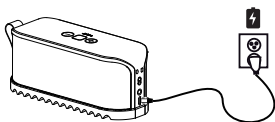

Charge using PC

Connect the Jabra Solemate to any available USB slot on your PC using the USB cable.

Charge using the wall charger

Connect the Jabra Solemate to the wall charger, and plug into an available power source.

Battery status

What you see	What it means
	The battery is full
	The battery is half full
	The battery is low
	The battery is critically low, and requires immediate charging

The battery takes 2.5 hours to fully charge. The Jabra Solemate can be used during charging.

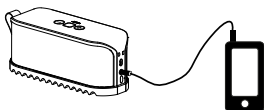

CONNECTING

The Jabra Solemate can connect wirelessly to any Bluetooth device, or via 3.5 mm audio cable to any audio device, or via USB to any PC.

WIRED CONNECTIONS

3.5 mm Jack Connector

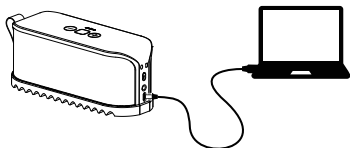

Connect the Jabra Solemate to any audio device with a 3.5mm Jack Connector, using the supplied audio cable. The Jabra Solemate microphone is disabled when connected via the 3.5 mm Jack Connector.

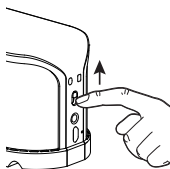

Note: When a device is connected to the 3.5 mm Jack Connector, Bluetooth is disabled and wireless devices will not be able to play music.

USB (Plug and play)

Plug the Jabra Solemate into any available USB port on your PC. The Jabra Solemate microphone is enabled when connected via USB.

WIRELESS CONNECTION (BLUETOOTH)

1. Hold the **On/off** switch in the Up position for 3 seconds.
2. Pairing mode will be announced and the Bluetooth light will flash.
3. Follow the voice guided pairing instructions to pair to your Bluetooth device.

Note: If connection is lost (e.g. out of range) tap the **Answer/end** button when the Jabra Solemate is in range and turned on to reconnect.

PLAY MUSIC, CHAT AND VOICE GUIDANCE

PLAY MUSIC

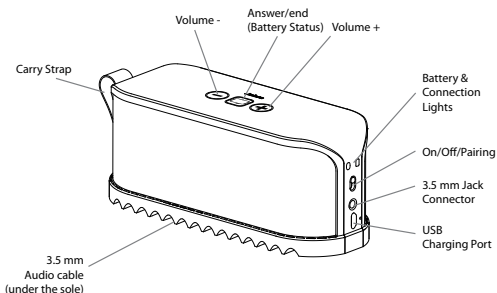

Music played on your connected device will automatically transfer to the Jabra Solemate. If you cannot hear audio, ensure the device is connected to the Jabra Solemate via USB, 3.5 mm Jack Connector or Bluetooth, or turn up the speaker volume.

To control the music (skip tracks, pause music etc) use the connected phone, tablet or PC.

Note: When a device is connected to the 3.5 mm Jack Connector, Bluetooth is disabled and wireless devices will not be able to play music.

CHAT USING MOBILE PHONE OR SOFTPHONE (PC)

When the Jabra Solemate is Bluetooth connected to your mobile phone, or USB connected to your PC, calls made or answered will automatically transfer to the Jabra Solemate, which will function as a speakerphone.

	Make call	Call will automatically transfer to the Jabra Solemate. If not, tap the Answer/end button
	Answer/end call	Tap the Answer/end button to answer an incoming. Music will be automatically paused
	Reject call	Double-tap the Answer/end button
	Redial last number	Double-tap the Answer/end button to redial the last number dialed (phone dependent)
	Speaker volume up/down*	Tap Volume + or Volume - button Press and hold the Volume + or Volume - button to scroll the volume quickly up or down.
	Mute/un-mute microphone	Press and hold (1 sec) both Volume + and Volume - buttons simultaneously

Note: Music will automatically pause during a call, and will resume when the call is ended.

VOICE GUIDANCE

	What you hear	What it means

TURN VOICE GUIDANCE OFF/ON

Turn off voice guidance:

1. Turn off the Jabra Solemate.
2. Press and hold the **Volume -** button while turning on the Jabra Solemate. Release the **Volume -** button when you hear 'Voice off' to indicating that the voice guidance have been turned off.

Turn on voice guidance:

1. Turn off the Jabra Solemate.
2. Press and hold the **Volume +** button while turning on the Jabra Solemate. Release the **Volume +** button when you hear 'Voice on' to indicating that the voice guidances have been turned on.

UPDATE FIRMWARE

To update the Jabra Solemate firmware visit jabra.com/solemate and download the latest firmware in the support section. Follow the on-screen instructions.

SUPPORT

FAQ

Q I hear crackling noises

A Bluetooth is a radio technology, which means it is sensitive to objects between the Jabra Solemate and the connected device. The Jabra Solemate is designed to be used within 33 feet (10 meters) of a connected device, with no major objects inbetween (walls, etc.).

Q I cannot hear anything on my Jabra Solemate

- A - Increase the volume in the Jabra Solemate.
- Ensure that the Jabra Solemate is paired or connected to a device that is playing.
 - Make sure your phone is connected to the Jabra Solemate by tapping the **Answer/End** button.

Q I am having pairing problems

A You may have deleted your Jabra Solemate pairing connection in Bluetooth device. Re-pair by holding the on/off switch in the Up position for 3 seconds to put the Jabra Solemate into pairing mode, and then connect using your Bluetooth device

Q Will the Jabra Solemate work with other Bluetooth equipment?

A The Jabra Solemate is designed to work with all Bluetooth devices that are compliant with Bluetooth version 1.1 or higher and support a headset, hands-free and/or advance audio distribution profile.

Q I cannot use Reject call, Redial or voice dialing

A These features are dependent on the ability of your phone to support a hands-free profile. Even if the hands-free profile is implemented reject call, call hold and voice dialing are optional features which are not supported by all devices. Please consult your device manual for details.

Q Can I connect two Bluetooth devices at once?

A No. It is not possible for two Bluetooth devices to be connected at once.

Q Why can I not connect wirelessly to the Jabra Solemate

A Ensure that Bluetooth is turned on in your device. Follow the instructions in section 3.1 to manually enter pairing mode.

HOW TO CARE FOR YOUR JABRA SOLEMATE

Always store the Jabra Solemate with the power off.

Avoid storage at extreme temperatures (above 45°C/113°F or below -10°C/14°F). This may shorten battery life and affect operation. High temperatures may also degrade performance.

Do not expose to rain or other liquids.
