Highlights

Relax

Put your feet up and relax with the soft glow of white light for the perfect end of the day. Relaxing white light can help you to unwind in the evening and sleep better at night

Energize

Skip your morning coffee and get ready for the day with cool, bright white daylight that helps to energize your body and mind. Perfect for those moments when your batteries are running low and you need a kickstart

Use as a remote control

Pick up the remote and use it wherever you want for your comfort. The control unit of the switch is magnetic and can be removed from the base plate.

Read

Get lost in your favorite book for hours on end with Philips Hue. It provides you with the right white light for a perfect read

Installation free dimming

Experience guaranteed smooth dimming with Philips Hue. Not too bright. Not too dark. Just right. No need for wires, an electrician or installation

Add up to 10 Hue lights

You can connect up to 10 Philips Hue lights to your Philips Hue dimmer switch and control them simultaneously.

Concentrate

Stay focused with finely tuned bright white light. It can help you get things done quickly and efficiently without distractions, whether you're studying for an exam, working from home, or choosing the perfect outfit to look your best

Place switch anywhere

The Philips Hue dimmer switch works as a normal wall switch and dimmer. You can place it anywhere you want, using screws or the adhesive tape on the back plate of the switch

Full control with Hue bridge

Connect your Philips Hue lights with the bridge to unlock the endless possibilities of the system.
