

Document Holder - 7 Angle Settings

Product ID: DOCHOLDSTND

Place your print documents in a comfortable viewing position, with this ergonomic document holder. You can put your reference documents in an upright position and adjust the angle, to help reduce neck and eye strain and enhance your efficiency.

Adjust your Viewing Angle

The adjustable easel-style document holder is designed for optimum viewing. Simply choose from one of the seven angle settings to change your viewing angle, so you can easily reference documents when typing or doing data entry.

Versatile Use

Utilize this sturdy and lightweight document stand to hold a wide range of print copy, catalogs, and even tablets. It makes it easy to reference or digitize physical documents in commercial, medical, government, financial, and other industries. The metal backplate, with 11.2" (28.5 cm) width, easily supports your documents in landscape or portrait position. The page holder tray can accommodate many pages at once, held in place by two clips.

Folds Down Flat

The copy holder folds down into a flat position when not in use, for portable use or quick storage.

DOCHOLDSTND is backed by a StarTech.com 5-year warranty and free lifetime technical support.
