

#23110

Wireless Fast-Charging Car Phone Holder

Car phone holder with Qi-compatible fast wireless charging and automatic lock mechanism

Key features

- Automatic locking: put the phone in the holder and it will automatically be locked in place and start charging
- Works with all smartphones with Qi wireless charging support
- Place or take your phone with one hand thanks to the pressure-sensitive (automatic locking) mechanism
- 3-in-1 solution: attaches to car window, dashboard or air vent with included accessories
- Supports fast-charging 7.5W mode for iPhone and 10W mode for Samsung Galaxy phones
- Certified by Wireless Power Consortium (WPC), for optimal reliability

What's in the box

- Wireless charging phone holder
- Suction cup mount
- Air vent clamp
- Adhesive base
- Micro-USB cable
- User guide
