

BUSINESS DEVICES THAT ARE A CLASS APART

The ultimate productivity notebook, ThinkPad T Series will keep users productive all day with long battery life, docking and enhanced connectivity options, security and manageability features.

ThinkPad T590

Smarter
technology
for all

Lenovo

This lightweight business laptop is packed with features that help mobile users stay productive. For example, it offers up to 15 hours of battery life to outlast the longest of workdays. The device is powered by the latest Intel Core™ vPro processors and can be configured with Intel Optane™ memory which allows large files and commonly-used applications to open faster.

REASONS TO BUY

Choose the Dolby Vision® HDR display for exceptional colour and brightness when working on documents or watching video.

Multiple ports including Thunderbolt™, USB Type-C, USB 3.1, and HDMI allow high-speed data transfer and support docking solutions to enable seamless multitasking.

Minimal preloaded applications mean maximum battery life and responsiveness for users, and faster deployment for IT admins.

ThinkPad T590
