Charge & Sync Lightning® Cable

USB-A Male to MFi-Certified 8-Pin Lighting Male, 1.8 m (6 ft.), Black
Part No.: 355483

Quality connections for superior performance.

Equipped with "Made for iPod," "Made for iPhone," and "Made for iPad" logos, the MFi-certified Charge & Sync Lightning® Cable from Manhattan perfectly connects your iPhone®, iPod® or iPad® to a USB-equipped computer, charger, hub, dock or other compatible device. With its special 8-pin plug, this cable gives you the best connection to charge and sync your Lightning-connector device quickly and safely, whether you are home, at work, or on the road. MFi-certification ensures that this cable will stay compatible with your iOS device after you've updated it, so you're always guaranteed a superior-quality connection. A durable, flexible PVC jacket and molded boots with strain relief help ensure reliable service and steady connections almost anywhere.

Features:

- Charges your compatible Apple® device from any USB power source or syncs your music and photos when plugged into your computer
- USB-A to MFi-Certified 8-pin Lighting connector
- Apple MFi certification to ensure cable has been tested and guaranteed 100% compatible with your Apple iOS Lightning device
- Supports speeds up to 480 Mbps
- Lifetime warranty
