## Edge Privacy Filter 12.5" 16:9

eSTUFF Edge Privacy Filter – Sleek, Full-Screen Privacy for Modern Laptops

Designed for laptops with edge-to-edge glass displays and no bezels, this privacy filter offers seamless protection with precision cutouts for webcams and sensors. It's the ideal solution for professionals who value both privacy and design.

### Confidential Viewing, Anywhere You Work

Whether you're in transit, at a client meeting, or working in a shared space, the eSTUFF Edge Privacy Filter keeps your screen content private. Its advanced "black-out" technology ensures clear visibility for the user while blocking side views beyond a 60-degree angle – protecting sensitive data from curious glances.

### Premium Protection with Touch-Friendly Surface

In addition to privacy, the filter shields your screen from scratches and everyday wear. Its smooth surface supports natural touch interaction, allowing for effortless swiping, tapping, and typing.

- Blocks side views beyond a 60-degree viewing angle
- Reduces 51% (±5%) of blue light transmission (blue ray wave 440-460 nm)
- Cutout for webcam and sensors

## Specifications
