Never lose a thought

We've heard from customers that keeping track of a digital pen can be a pain. The Yoga C930 ensures you'll be able to capture your thoughts the moment they occur—with a Garaged Pen that pops in and out of the chassis with ease. Better yet, it charges in its compartment.

Instant gratification

Patience is overrated—sometimes you just want it done. The Yoga C930 offers up to 8th Generation Intel® Core™ i7 processing, Intel's fastest 15W mobile processor engineered for powerful responsiveness and speed in a razor-thin convertible.
