Unlimit**Ed** Folio for iPad (7th, 8th, and 9th gen)

OtterBox

UnlimitEd for 2018 is the same great case for K-12, but even better than before. We moved the speaker opening to the front to direct sound forward and improve the listening experience. We added a tab to help when it's time to uninstall the case. And, the new folio version provides additional screen protection along with a two-position stand. Check out the latest edition of UnlimitEd and see for yourself.
