Highlights

14 hours play time(10 hrs ANC)

14 hours play time (10 hours with Active Noise Canceling)

Stay comfortable.

An oval acoustic tube and three sizes of interchangeable rubber earbud covers create a perfect seal. Enjoy all-day listening comfort and excellent passive noise isolation.

Active Noise Canceling

Leave it all behind with Active Noise Canceling. Shut off the noise of a train or busy office at the touch of a button. If you're out and about, you can listen to your music and stay tuned to the noise of the street in Awareness Mode.

Noise and echo cancellation

No more of those annoying echoes when you are talking on the phone. With our acoustic echo cancellation, you always get a clear, undisturbed connection.

Carry pouch.

Carry pouch. Keep them safe when they're not on

Google Assistant

Manage your life without taking out your phone: just ask Google Assistant. A simple button-press on the neckband activates the assistant. You can ask it to open your calendar, read notifications from your phone, call or send messages to friends, manage playlists, and much more.

Hi-Res Audio. Hear more.

Love your high-resolution streaming service? Hear more with these Hi-Res Audio headphones. Capable of reproducing high frequencies of up to 40 kHz, they'll give you more detail when you're on the move.

Line-in cable port

Line-in cable port for wired listening

Slender neckband

The slender neckband sits comfortably behind your neck. Vibration Mode ensures you won't miss a call* even if you're deep into your music or have the earbuds around your neck.

Smart pairing.

The user friendly buttons let you pause your playlist, take calls, and adjust volume. All without touching your smartphone. The headphones are ready to pair the instant you switch on Bluetooth. Once they're paired, they remember the last device they were paired with.

Detailed sound. Powerful bass

Perfectly tuned neodymium acoustic drivers deliver deep bass and clear midrange frequency

Rapid charge.

If you need even more power, just 5 minutes on charge will give you another 2 hours play.
