

HP X220 Backlit Gaming Mouse

Built to perform. Designed to compete.

At 8 times the speed of any standard mouse you can stay one step ahead of the competition. Built for comfort and durability, this non-slip textured grip mouse can endure up to 10 million L/R button clicks. With the PixArt optical gaming sensor and on-the-fly DPI shifting, gamers can enjoy pinpoint accuracy.

Extreme precision

Experience accurate aiming and cursor movement with the PixArt optical gaming sensor.

DPI on the fly

Shift DPI freely between 6 sensitivity settings, ranging from 400 to 3.600.

The speed you need

Experience speed with the mouse that reports 1.000 times per second, 8x faster than standard mice.

No-slip grips

This classic mouse with non-slip textured grips is designed to fit hands comfortably.

HP X220 Backlit Gaming Mouse
