Key Selling Points

- The amazing flexible quality of this hybrid glass absorbs impact and disperses shock before it reaches your phone's screen.
- Anti-bacterial properties kill 99.99% of surface bacteria and inhibit the growth of algae, mold, and mildew.
- Tough, military-grade components protect your screen from scuffs and scratches.
- The edges of GlassFusion⁺ won't chip which prevents cracks from starting and spreading.
- GlassFusion⁺ preserves your screen's touch sensitivity, so it responds to every tap and swipe.

All InvisibleShield screen protectors come with a Limited Lifetime Warranty*.
See ZAGG.com for details.
