

ClickSafe® 3-in-1 Combination Laptop Lock – Master Coded

The combination cable lock that fits any laptop security slot.

K68106WW

Product Description

The ClickSafe® 3-in-1 Combination Laptop Lock - Master Coded, fits any laptop with a Standard T-Bar, Wedge-Shaped or Nano security slot, allowing it to be locked down, regardless of brand or generation. From Kensington, inventor and worldwide leader in laptop security locks.

Features

- One lock for any slot – fits standard T-bar, Nano or Wedge-Shaped laptop security slots, regardless of laptop brand or generation.
- ClickSafe® locking technology allows the lock head to be attached with one hand in a single click.
- The master coded combination allows IT to assign new codes and reset forgotten ones, making lock management a breeze.
- A 1.8m (6ft) carbon steel cable with plastic sheath resists tampering, offers peace-of-mind and delivers the same level of cut and theft resistance as thicker cables.
- A special pivot and rotate hinge on the cable allows flexible movement.
- Kensington locks are verified and tested. Each lock is precision engineered to meet or exceed rigorous industry standards for strength, physical endurance and mechanical resilience.
- A limited 5-year warranty means you can rest assured knowing you're covered by Kensington, inventor and worldwide leader in laptop security locks.
