

WindFall® VESA Mount for Surface Go

Raise the level of style and interactivity at your point of sale — right off the counter.

K67933US

Product Description

The WindFall® VESA Mount for Surface Go literally raises the level of style and interactivity for retail and hospitality spaces — right off the counter — offering a combination of strong security and elegant, contemporary looks. Ideal for retail and hospitality spaces. Features include a sturdy, tamper, scratch, and fingerprint resistant shell; ClickSafe® and NanoSaver™ lock slots (K64435WW ClickSafe 2.0 Keyed Laptop Lock and K64444WW NanoSaver Keyed Laptop Lock sold separately); and integrated cable management.

Features

- Designed for VESA, securely mount to VESA 75 or VESA 100 hole patterns and bring your Surface Go point of sale closer to customers. Includes ClickSafe® and NanoSaver™ lock slots (K64435WW ClickSafe 2.0 Keyed Laptop Lock and K64444WW NanoSaver Keyed Laptop Lock sold separately).
- Cut from sturdy, high-quality steel, the WindFall® VESA Mount for Surface Go mounts to your Surface Go at the perfect angle for interactive use. Scratch and fingerprint-resistant powdercoat finish helps keep it looking great.
- Integrated cable management keeps your Surface Go powered throughout the day and eliminates cable clutter for a cleaner point of sale.
