Clickable functions for easy onscreen interaction

Use the active pen to select items and navigate and erase content with right-click, left-click, and double-click functions. Work without worry about wear and tear—the pen’s cone tip is designed for minimal breakage.

Long battery life keeps you productive over 11 months

Work for almost a year¹ on one set of AAAA batteries and conserve battery life with an automatic sleep mode that activates after two minutes of idle activity.

A natural, comfortable writing experience

Hold and write comfortably with an easy-grip texture and familiar length.

Sustainability in action

Close at hand when you need it

Keep track of the pen with a slant design that doesn’t roll off the desk. Pair with the tether to ensure your pen is where you need it, when you need it.
