Philips 9000 series Bagless vacuum cleaner

XB9154/09

- PowerCyclone 10
- TriActive Ultra nozzle
- NanoClean Technology
- Remote control

Highest Suction Power* with PowerCyclone 10

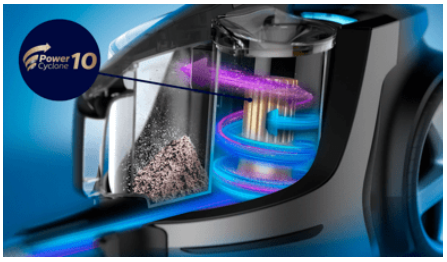

NanoClean technology for minimum dust exposure

- PowerCyclone 10 delivers extreme suction power for longer
- TriActive Ultra nozzle captures dust and dirt from any floor
- NanoClean Technology minimises dust clouds
- Clean delicate items like furniture and upholstery
- Allergy H13 filter system captures >99.9% of fine dust
- ErgoGrip with remote control for seamless use
- Super Turbo brush, ideal for deep cleaning pet hair and fluff

*Suction power compared to 10 most sold high-end bagless vacuum cleaners (> €150) in Germany H1’ 2019.
***Tested by Philips labs on average fine and coarse dust pick-up on hard and on soft floors vs 10 most sold bagless vacuum cleaners in Germany, December 2019.
*****Filtration levels are tested according EN60312-1-2017 and are equivalent to HEPA 13.

Highlights

PowerCyclone 10 technology

Advanced PowerCyclone 10 technology has been engineered to maximise air flow with a powerful, swirling action to deliver extreme suction power. Supreme accelerated air flow in the cylindrical chamber efficiently separates dust from the air, ensuring stronger suction power for longer, for the best cleaning performance for all dirt types on all floors**.

TriActive Ultra nozzle

TriActive Ultra nozzle captures coarse and fine dust in one go and from all sides. The nozzle uses suction power for faster results every time and on any type of floor.

NanoClean Technology

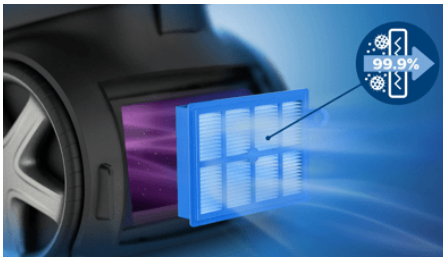

NanoClean technology minimises dust clouds so your home and floors stay clean. Dust falls to the bottom of the container and does not stick to the sides. When it's time to empty, the dust and dirt simply slide out.

Integrated brush

Dusting brush tool is built into the handle so it's always ready to use on furniture, flat surfaces and upholstery.

Allergy H13 filter

Allergy H13 filter system catches >99.9% of fine dust particles - including pollen, pet hair and dust mites - ideal for allergy sufferers. Filtration level is equivalent to HEPA 13***.

Remote control

ErgoGrip handle is designed for comfort and efficiency so you can reach easily into tight spaces. Finish cleaning faster with control options to reduce power or turn off at the touch of a button.

Super Turbo Brush

Super turbo brush deeply cleans carpets, rotating inside the nozzle to easily remove pet hair, fluff and even the smallest dust particles, resulting in better cleaning performance. Ideal for pet owners.

Specifications

General Specification

Primary Material: Plastic
Product Type: Bagless vacuum cleaner
Action radius: 11 m
Cord length: 8 m
Technology: PowerCyclone 10
Noise level (standard): 67 – 77 dB
Warranty: 2 years
Colour: Full Black
Input power (IEC): 899 W
Input power (max): 900 W
Dust capacity: 2.2 L
Motor Filter: Lifetime washable filter
Exhaust filter: HEPA: Filters > 99.99%
Tube coupling: SmartLock
Carrying handle: Front and Top
Power control: Remote Control on ErgoGrip
Tube type: Metal 2 piece, telescopic
Accessory storage: On the handle
Wheel type: Rubber
Parking position: Vertical and horizontal

Technical Specifications

Voltage: 230 V
Frequency: 50-60 Hz

Compatibility

Related Accessories 2: CP1161 Inlet filter
Related Accessories 3: CP1160 Exhaust filter

Weight and Dimensions

Product Weight: 6.13 kg
Product Width: 300 mm
Product Height: 300 mm
Product Length: 500 mm
Package Height: 350 mm
Package Width: 400 mm
Package Length: 600 mm
Package Weight: 11.13 kg

Durability

User Manual: 100% recycled paper

Country of Origin

Produced In: Turkey

Functions

Easy-emptying system: NanoClean technology

Accessories

Standard nozzle: TriActive Ultra nozzle
Included accessories: Integrated brush, Crevice tool, Small nozzle
Additional nozzles: SuperTurbo brush
