

MPN: CABLEEATER25H

Cable Eater, White, 20 m

The Cable Eater 25mm in White offers a clean and efficient cable management solution. This 20-meter roll of cable wrap is designed to neatly organize and protect your cables, preventing tangles and creating a tidier workspace or entertainment area. The 25mm diameter provides ample space for bundling multiple cables together. Made from durable materials, the Cable Eater is easy to apply and remove, allowing for flexible cable routing and modifications. With MicroConnect's 20+ years of experience in providing quality connectivity solutions, you can trust this cable management system to keep your cables organized and protected, enhancing the longevity and performance of your valuable equipment. It offers a simple yet effective method to manage cables at home or in the office.
