

## MAINSTREAM COMPUTING FOR A VARIETY OF BUSINESS USES

Lenovo V Series desktops offer exceptional value for money, and are available in a range of sizes and performance configurations to meet the varying needs of your workforce.

## Lenovo V530s-07ICR

Smarter  
technology  
for all

Lenovo

This compact desktop enables offices to modernize their PC fleet with smaller and more powerful devices. Just 10cm (3.9") wide, it's small enough to fit on a desk, adding a professional image to any business, with metallic accents, and honeycombed front air intake. Configure with a choice of the latest productivity technologies, ensuring your office users are equipped for today's demanding business environment.

### REASONS TO BUY

Users that multitask productivity apps and cloud-based systems will need the latest Intel Core™ processors and either fast SSD storage or a HDD with Intel Optane™ memory installed.

An optional slimline DVD burner and 7in1 card reader, plus 4x front-mounted USB ports ensure users will always have access to the media storage devices they are familiar with.

Save money and reduce your environmental impact with this energy-efficient device which has Energy Star®, EPEAT® Silver and GreenGuard® certifications.
