

# HP Engage Go Tilt Mount

**Comfortably expand where you can use your HP Engage Go Mobile.<sup>1</sup>**

Enable flexible fixed and self-service usage of your HP Engage Go Mobile<sup>1</sup>, or give it a secure storage location, with the HP Engage Go Tilt Mount. Attach to a wall or counter and tilt to suit your preference, or pair with the optional HP Engage Go Height Adjustable Pole<sup>2</sup> for more adjustability.

## **Built-in security**

Quickly attach and detach your HP Engage Go Mobile<sup>1</sup> to and from the mount with magnetic electromechanical locking and unlocking using HP Smart Dock software.<sup>3</sup> The handy LED on the release button confirms lock status.

## **Work comfortably**

Once mounted, you can tilt your HP Engage Go Mobile<sup>1</sup> up to 53° down or 60° up for comfortable user and customer interaction with its scanner and screen. Attach to the optional HP Engage Go Height Adjustable Pole<sup>2</sup> for up to 60 mm height adjustment.

## **Place it where you need it**

Create a clutter-free workspace by mounting your HP Engage Mobile<sup>1</sup> to a wall—in or out of the case. Add a layer of security with safety fingers that support vertical mounting and help prevent accidental falls when the locking mechanism is released.

## **Additional Features**

- Can be mounted to a wall or the HP Engage Go Height Adjustable Pole.<sup>1</sup>
- Built in HP Smart Dock software functionality and LED on the push release button that confirms lock status.
- Optional top and bottom finger support to secure and prevent the tablet from dropping when push release button is activated.
