

# HP Engage Go Fixed Mount

Expand where you can use your HP Engage Go Mobile.<sup>1</sup>

Enable fixed and self-service usage of your HP Engage Go Mobile<sup>1</sup>, or give it a secure storage location, with the HP Engage Go Fixed Mount, which attaches securely to a wall or swing arm.<sup>2</sup>

## Built-in security

Quickly attach and detach your HP Engage Go Mobile<sup>1</sup> to and from the mount with magnetic electromechanical locking and unlocking using HP Smart Dock software.<sup>3</sup> The handy LED on the release button confirms lock status.

## Compatible with ergonomic accessories

Install on an optional swing arm<sup>2</sup> through the integrated VESA pattern for positioning flexibility such as tilt, swivel, and height adjustment to suit your specific environment.

## Place it where you need it

Create a clutter-free workspace by mounting your HP Engage Mobile<sup>1</sup> to a wall—in or out of the case. Add a layer of security with safety fingers that support vertical mounting and help prevent accidental falls when the locking mechanism is released.

## Additional Features

- VESA 75 and VESA 100 compliant.
- Built in HP Smart Dock software functionality and LED on the push release button that confirms lock status.
- Optional top and bottom finger support to secure and prevent the tablet from dropping when push release button is activated.
