CRPS 800WR 92% Efficiency

The professional range of redundant power supply from UNYKAch is designed with interchangeable modules. In case a power module fails, the remaining unit will take over immediately, the damaged unit can be replaced without stopping the operation, avoiding the risk of data disappearance or system interruption.

The CRPS 800W power supply has a 92% efficiency which makes it equivalent to the 80 Plus Platinum certification.
