

SD6000 Surface Go and Go 2 Docking Station

Advance your Surface Go and Go 2 experience.

K38700EU

Product Description

At last, the perfect Surface Go dock for maximum productivity, creativity and security has arrived. The game-changing SD6000 Surface Go Docking Station is the first all-in-one Surface Go and Go 2 docking solution exclusively designed for Microsoft Surface to provide the productivity benefits of a docking station, the creativity benefits of studio mode designing and surface pen stowing, and the security benefits of a flexible mounting solution. It is the ideal choice for offices with security protocols, point-of-sale locations, check-in counters, mobile carts, kiosks, education environments and conference rooms. Connect to the perfect Surface Go companion – one dock for more productivity, more creativity and more security.
