

Jabra GN

Jabra Elite Active 45e

Engineered for wireless music, calls and sport.

Waterproof durability* and superior fit.

A fit that's comfortable and secure.

Enjoy an active lifestyle with secure-fitting earbuds, thanks to Earwings and Earhooks that hold firm when you move.

Built for active lifestyles.

Jabra Elite Active 45e features IP67-rated waterproof durability, with a 2-year sweat and dust warranty**. Whatever your day and your activity demands of you, your earbuds will enhance your sports, music and calls.

Run safe, in any environment.

Thanks to an open-ear design you can stay aware of your surroundings. The oval shape of the earbuds helps to keep you safe when your workouts take you outdoors.

Boost your day.

With up to 9 hours of battery on a single charge, you can power a week's worth of workouts, keeping the music playing and the calls answered.

Quality calls on the go.

2-microphone call technology gives you superior call quality wherever you are. So you can always switch seamlessly between listening to great music and making calls with crystal-clear sound.

Voice command made simple.

Jabra Elite Active 45e connects you instantly to Alexa***, Siri® or Google Assistant™. So you can get assistance with tasks, including setting appointments, finding nearby events, or having messages read to you.

Personalize your device.

Pair with the Jabra Sound+ app to customize music profiles, choose your voice assistant, track battery use and more.

*The Elite Active 45e earbuds are IP67-verified to withstand fresh water up to one meter for 30 minutes

** Registration required with Jabra Sound+ app

***Operating system dependent

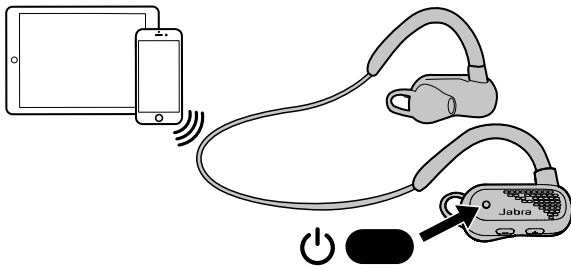

At a glance:

Jabra Elite Active 45e

- **Quality call experience.** 2-microphone call technology for superior calls
- **Voice assistant enabled.** One-touch access to Amazon Alexa, Siri®, and Google Assistant™
- **Personalize your device.** Pair with the Jabra Sound+ app for customized settings

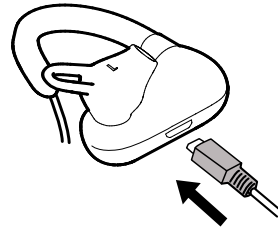

How to pair

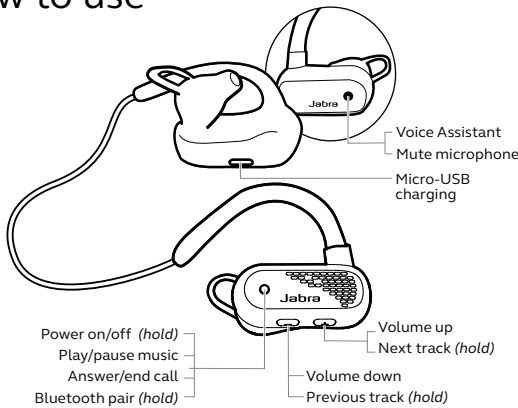

Power on the headset and follow the voice instructions to pair to your smartphone.

How to charge

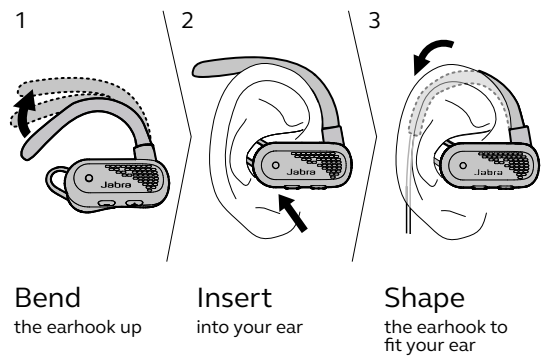

It takes approx. 2 hours to fully charge the battery. If the headset is fully out of battery, 15 minutes of charging will give 1 hour of battery. To protect against water and sweat damage, ensure the charging port is kept clean and dry.

How to use

How to wear

Connect to Jabra Sound+ app

Personalize your device with the Jabra Sound+ app so you can customize your music profiles, choose your voice assistant, track battery use and more.
