SmartFit™ One-Touch Height-Adjustable Single Monitor Arm

The fully articulating single monitor arm with one-touch ease

K59600WW

Product Description

Incorrect monitor placement can lead to poor posture, eye strain, as well as neck, back and shoulder discomfort. The SmartFit™ One-Touch Height Adjustable Single Monitor Arm supports more comfortable monitor placement. Thoughtfully designed to simplify proper ergonomic fit, it offers a fully-articulating design for maximum flexibility. A heavy duty build provides stability in every position while its gas spring monitor mount makes adjusting the height, depth and angle of your monitor effortless - from landscape to portrait mode. The built-in cable management system organises and conceals cables while the arm lifts your external monitor up and out of the way, decluttering and clearing valuable desk space.

Features

- SmartFit™ supports proper ergonomic eye-level viewing angles, as well as improved neck and shoulder alignment.
- The SmartFit™ One-Touch Height-Adjustable Single Monitor Arm makes adjusting your external monitor's height, depth and angle effortless. With 170 - 505mm (6.7 - 19.9") height adjustment, ±90° swivel and monitor rotation and ±90° tilt adjustment, the product's fully articulating design gives you total control over the placement of your monitor, from landscape to portrait mode. Its Counterbalance Tension Adjustment allows you to tighten or loosen the arm to accommodate a range of monitor weights with the same effortlessness and stability (Allen wrench included).
- The Kensington SmartFit™ One-Touch Height Adjustable Single Monitor Arm is stable in any position, supporting a 13'–34" flat or curved monitor weighing up to 9kg (19.8lbs).
- The Kensington SmartFit™ One-Touch Height Adjustable Single Monitor Arm is mountable by c-clamp (desktop thickness range: 10–85mm or grommet (desktop thickness range: or 10–80mm; grommet hole diameter range: 10.5–50mm – tool kit included. Its non-permanent, non-marking installation makes removal easy. An included quick-release, detachable VESA 75/100 plate makes the arm ideal for VESA mountable monitors.
- The Kensington SmartFit™ One-Touch Height Adjustable Single Monitor Arm's built-in cable management system keeps cables out of sight and organised, held within the arm itself.
- The Kensington SmartFit™ One-Touch Height Adjustable Single Monitor is tested to meet ANSI/BIFMA performance and safety standards.
