# HP LaserJet Enterprise MFP M635 series

## The pinnacle of performance and security

This HP LaserJet MFP with JetIntelligence combines exceptional performance and energy efficiency with professional-quality documents right when you need them – all while protecting your network from attacks with the industry's deepest security.<sup>1</sup>

HP LaserJet Enterprise Flow MFP M635z

Color touchscreen

This printer is intended to work only with cartridges that have a new or reused HP chip, and it uses dynamic security measures to block cartridges using a non-HP chip. Periodic firmware updates will maintain the effectiveness of these measures and block cartridges that previously worked. A reused HP chip enables the use of reused, remanufactured, and refilled cartridges. More at: http://www.hp.com/learn/ds

Quality laser printing

HP LaserJet Enterprise MFP M635fht

#### The world's most secure printing<sup>1</sup>

- With HP Sure Start, operating code is automatically checked at startup and repairs itself if compromised.
- Run-time intrusion detection continually monitors to detect and stop attacks, then automatically reboots.
- Centralise control of your printing environment with HP Web Jetadmin and help build business efficiency.  $^{\rm 2}$
- Give workgroups what they need to succeed. Easily choose and deploy hundreds of HP and third-party solutions.

#### High-speed performance meets energy efficiency

Speed through tasks and save paper. Print two-sided documents nearly as fast as singlesided.

- This MFP wakes up fast and prints your first page faster in as quickly as 8.1 seconds.<sup>3</sup>
  - This MFP uses low amounts of energy thanks to its innovative design and toner technology.
- Paper handling options include a wheeled stand and 550 sheet input feeder for paper sizes 10 x 15 cm (4 x 6 inch ) to legal.

#### Performance and protection you can count on

- Produce sharp text, bold blacks, and crisp graphics with precision black toner.
- Help retain the Original HP quality you paid for with anti-fraud and cartridge authentication technology.
- Spend less time replacing toner, and more on business. Choose high-yield toner cartridges.  $^{\rm 4}$

## Give workgroups the speed they need

- Help workgroups capture every page easily and detect potential errors or missed pages every time.
- Enter data more quickly and accurately using the pull-out keyboard.
- Help ensure every scanned document is properly oriented, cropped to size, and greyscaleoptimised.
- Load up to 150 pages into the automatic document feeder for fast, unattended scanning.

## Product walkaround

## HP LaserJet Enterprise Flow MFP M635z shown

- 1. Hardware Integration Pocket
- 2. Easy-access USB port
- 3. 1,000 sheet 3-bin stapler/stacker with job offset
- 4. Left door access to toner cartridges
- 5. Automatic two-sided printing
- 6. 550 sheet input tray 2
- 7. 2,000 sheet HCI and 550 sheet tray with stand
- 8. 150 sheet ADF with single-pass, two-sided scanning and HP EveryPage 9. 22.8 cm (9.0 inch) functional touchscreen with 20.3 cm (8.0 inch) colour graphics
- 9. 22.8 cm (9.0 display
- 10. Pull-out keyboard
- 11. HP High-Performance Secure Hard Disk
- 12. Right door access to print path
- 13. 100 sheet multipurpose tray 1
- 14. Host USB port
- 15. Hi-speed USB 2.0 printing port
- 16. Slot for cable-type security lock
- 17. Gigabit Ethernet port
- 18. Fax port

#### Footnotes

<sup>1</sup> HP's most advanced embedded security features are available on HP Enterprise and HP Managed devices with HP FutureSmart firmware 4.5 or above. Claim based on HP review of 2019 published features of competitive in-class printers. Only HP offers a combination of security features to automatically detect, stop, and recover from attacks with a self-healing reboot, in alignment with NIST SP 800-193 quidelines for device cyber resiliency. For a list of compatible products, visit: http://www.hp.com/go/PrintersThatProtect. For more information, visit: http://www.hp.com/go/PrintersEcurityClaims. <sup>2</sup> HP Web Jetadmin is available for download at no additional charge at http://www.hp.com/go/webjetadmin.

<sup>3</sup> Measured after 15 min in sleep. Exact speed varies depending on the system configuration, software application, driver, document complexity and time in sleep

<sup>4</sup> HP 147X High Yield Black Original LaserJet Toner Cartridges not included; please purchase separately.

#### Technical specifications disclaimers

<sup>1</sup> Power requirements are based on the country/region where the printer is sold. Do not convert operating voltages. This will damage the printer and void the product warranty. Power consumption values typically based on measurement of 115V device

<sup>2</sup> Average black declared yields based on ISO/IEC 19752 and continuous printing. Actual yields vary considerably based on images printed and other factors. For details see http://www.hp.com/go/learnaboutsupplies. <sup>3</sup> EPEAT® registered where applicable, EPEAT registration varies by country. See http://www.epeat.net for registration status by country.

<sup>4</sup> To enable HP Roam, some devices may require firmware to be upgraded and an optional accessory to add Bluetooth® Low Energy (BLE) beaconing capabilities. Subscription may be required. For more information, visit http://www.hp.com/go/roam.

<sup>2</sup> Acoustic values are subject to change. For current information see http://www.hp.com/support. Noise measured during printing monochrome duplex A4 at 62 ppm and ADF scan monochrome simplex A4 at 95 ipm. <sup>6</sup> Measured using ISO 24734 Feature Test, A5 Landscape Feed. Speed may vary based on content, PC, media orientation, and media type.

<sup>7</sup> Measured using ISO/IEC 24734, excludes first set of test documents. For more information see http://www.hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity.

<sup>8</sup> First Copy Out from Ready and Simplex Copy Speed measured using ISO/IEC 29183, Duplex Copy Speed measured using ISO/IEC 24735, excludes first set of test documents. For more information see

http://www.hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application and document complexity

<sup>9</sup> HP recommends that the number of printed pages per month be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty

<sup>10</sup> BA TEC is equal to Best TEC. Power requirements are based on the country/region where the printer is sold. Do not convert operating voltages. This will damage the printer and void the product warranty. Energy Star Version 3.0 TEC is not comparable to Energy Star Version 2.0 TEC values or BA TEC values. BA uses Energy Star Version 2.0 TEC. Energy Star value typically based on measurement of 115V device <sup>11</sup> Scan speeds measured from ADF. Actual processing speeds may vary depending on scan resolution, network conditions, computer performance, and application software.

<sup>12</sup> HP recommends that the number of scanned pages per month be within the stated range for optimum device performance.

<sup>13</sup> Scan software not included in box. HP Scan and TWAIN driver available for download at http://www.hp.com/support.

<sup>14</sup> With print cartridges.
