

YOGA CREATOR 7

CREATE AMAZING.

Meet the Lenovo™ Yoga™ Creator 7. This lightweight all-metal clamshell combines the latest Intel® Core™ processing with powerful NVIDIA® graphics for smooth, responsive performance when creating, editing and streaming content—for up to 16 hours¹, so you can focus on what matters, no matter where the day takes you. Combined with the clarity of a 15.6" wide-angle Full-HD display optimized with Dolby Vision™, you'll see every detail.

WHY YOU SHOULD BUY THE LENOVO YOGA CREATOR 7

More creating, less waiting

Stay in the flow with a new 10th Generation Intel® Core™ processor-powered PC that handles your creative projects with ease, like editing photos and videos, so they're ready to share in a flash. Enjoy ultra-fast video rendering with Intel® Quick Sync Video; edit high-res images with ease, and more. And supercharge your creativity with dedicated NVIDIA® GTX 1650 graphics that accelerate performance for faster speed in graphic design, video editing, and more. As a Yoga Creator 7 customer, you'll also enjoy special deals for creative software, including one month free of the Adobe Creative Cloud Photography Plan.

Brilliant audiovisuals

Edged with razor-thin bezels, the 15.6" display offers startling FHD clarity. Featuring Dolby Vision™ HDR inspired by cinema technology, your visuals will pop with increased contrast and color accuracy even with darker tones. Combined with the three-dimensional audio of a Dolby Atmos® Speaker System, you'll see and hear every detail.

Lenovo™

Stylish portability & power

Available in sophisticated Dark Moss, the all-metal Yoga Creator 7 combines stylish portability with up to 16 hours¹ of battery. When you need a boost, 15 minutes plugged-in will give you up to 2 hours of additional use, thanks to Rapid Charge Express and ultra-fast USB-C power delivery. And press Function Q to toggle between modes that optimize power, including Intelligent Cooling mode, which automatically adjusts performance to extend battery life for up to 15-20% depending on your needs.

Make the smartest use of your time & effort

The Yoga Creator 7's Intel® Core™ mobile processing enables smart, intuitive computing designed to streamline your workflow. Your PC automatically powers on the moment you open the lid, thanks to Flip to Boot. Attention sensors register your absence when you step away, logging out so that your work stays private — and register your face the moment you return. You'll also receive a privacy alert when someone's shoulder-surfing, thanks to Glance by Mirametrix™. And finally, voice assistant Alexa responds to spoken requests even above the lockscreen, in select markets.

PRELOADED SOFTWARE

- Lenovo Vantage
- Lenovo PC Manager
- Lenovo Antivirus Plus
- McAfee LiveSafe™
- Microsoft Office Trial⁸
- Glance by Mirametrix™

¹ Based on continuous 1080p video playback on the latest update of Windows 10 (with 150 nits brightness and default volume level). Actual battery life will vary and depends on many factors such as product configuration and usage, software use, wireless functionality, power management settings, and screen brightness. The maximum capacity of the battery will decrease with time and use.

² All battery life claims are approximate and based on two methods of testing: MobileMark® 2014 battery life benchmark and continuous 1080p video playback on the latest update of Windows 10 (with 150 nits brightness and default volume level). Actual battery life will vary and depends on many factors such as product configuration and usage, software use, wireless functionality, power management settings, and screen brightness. The maximum capacity of the battery will decrease with time and use.

³ Rapid Charge Express : Charge 15 minutes in standby mode or while powered off, for up to 2 hours of additional use based on test results using the MobileMark® 2014 ver. 1.5 battery life benchmark test.

⁴ Optional.

⁵ Depending on processor model.

⁶ Available in select regions; may require update with Lenovo Vantage when connected to WiFi.

⁷ The actual transfer speed of the USB 3.2 Gen 2 will vary and, depending on many factors, such as the processing capability of host and peripheral devices, file attributes and other factors related to system configuration and your operating environments, will be slower than a speed of 20 Gbit/s.

⁸ Except Japan.

LENOVO SERVICES

Warranty Upgrades - On-site / In-Home Service

Maximizes PC uptime and productivity by providing convenient, fast repair services in your own home.

Accidental Damage Protection

Avoid the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops or damage to the integrated screen.

Warranty Extensions (1-to-3 Years Total Duration)

This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment and potentially lower the cost of ownership over time.
