

HP Wired Desktop 320K Keyboard

Pro-class productivity for your workspace

Work efficiently and enhance your everyday productivity with the comfortable, reliable HP Wired Desktop 320K Keyboard.

*Product image may differ from actual product

Designed for your comfort

Enjoy a comfortable fit with a reduced-sized keyboard and low-profile quiet keys. The familiar three-zone layout has a number pad and arrow keys, as well as 6° adjustable slope for optimal wrist positioning.

Easy to connect and use

Get plug and play simplicity and essential design features. Connect the keyboard to any available USB port on your laptop. The LED indicator alerts you to locked keys for a quick status while typing.

Safe to clean

Feel good knowing you can safely clean your keyboard with everyday disinfecting wipes as HP keyboards have been tested up to 1,000 wipes.²

Designed with the environment in mind

Make a purchase you can feel good about with a keyboard that has 50% post-consumer recycled plastic content and low halogen¹ printed circuit boards.
