

OMEN Vector Mouse

So good, you won't let go

Get ready to experience performance in the palm of your hand. With an E-sport grade OMEN Radar 3 gaming sensor supporting up to 16,000dpi¹, your accuracy will always be on point. Enjoy total mouse control with up to 25g of adjustable weight². Plus, with customizable OMEN Command Center software options you can game on your terms.

You can't be too sensitive

Sharpen your accuracy with the E-sport grade OMEN Radar 3 sensor, co-developed with PixArt, supporting up to 16,000dpi with 99% accuracy, 450 IPS, acceleration, and self-calibration¹.

Throw your weight around

Experience optimized control with up to 25g of weight² so you can adjust the mouse to the way you play.

Your play, your way

Play your way with OMEN Command Center options ranging from 16.8m colors, 6 programmable buttons, and 100-16,000dpi.¹

Just keep clicking

Optimize your response times with extremely reliable Omron switches and a 50 million click lifespan.

¹ All performance specifications represent the typical specifications provided by HP's component manufacturers; actual performance may vary either higher or lower.

² Weight and system dimensions may fluctuate due to configuration and manufacturing variances.

³ HP includes a one-year limited warranty with online support available 24x7. Consult the HP Customer Support Center for details, or go to www.hp.com/go/orderdocuments. Internet access required and not included.

OMEN Vector Mouse

Featuring

Paradise for your palms

Sculpted to fit perfectly in your hand, enjoy incredibly comfortable gameplay with a textured rubber grip.

Set it and forget it

Game on-the-go with OMEN Command Center that saves your preferred settings and unlimited profiles, so you'll never miss a click.

Don't get caught in a twist

Enjoy using a snag proof smooth braided cable that's built to last.
